

Facility List

T/J Fabricators, Inc.

**2150 Executive Drive
Addison, Illinois 60101**

(630) 543-2293 / Fax (630) 543-0538
www.tjfab.com / mail@tjfab.com

Programming

Metasoft CAD/CAM (3) - Fabriwin 7.0
Pro-E
SOLIDWORKS 3D

Quality Systems

ISO 9001
MIE-TRAK Real-Time Job Tracking and Production Control
Amada Inspection System (Laser Scanning)

Shears

Cincinnati 10ft Hydraulic Shear
PEXTO 4ft Electric Shear

Laser Cutting

Mitsubishi 5000 watt Laser System
Bystronic Byspeed 3015 Laser System w/Load-Unload Feature

Turret Punch Press

Amada Vipros King 358 CNC Turret Punch Press (3)

Press Brakes

Amada Robotics Press Brake
Amada CNC Press Brake (7) 10ft / 100 ton maximum capacity
Mitsubishi APB 286 Electric Press Brake
Mitsubishi APB 3613 Electric Press Brake (3)

Hardware Insertion

Auto-Sert Hardware Insertion Machines (2)
Haeger Hardware Insertion Machine
Stimpson Eyelet Insertion Machine
PopMatic Point & Set Auto Feed Riveting

Welding

Miller Robotics Thermal Arc Plasma Welding System (2)
Miller Welding Equipment MIG/TIG/Heli Arc (3)
Spot Welder (5)

Brushing / Polishing

Loewer DiscMaster - Deburring
Grinding & Polishing Equipment (6)
9" Wide Wet Time Saver
37" Wide Wet Time Saver
Sand/Bead Blasting

Machining

Bridgeport Mill (3)
Tapping Center (3)
Lathe 12" x 48"

Misc.

Amada Right Angle Notcher
Kick Press (3)
5 Ton Overhead Crane
500 Kw Emergency Electric Generator
Security and Surveillance System

Finishing / Assembly - Available as required

Plating - Zinc, Nickel, Iridite, Anodize, Other
Painting - Liquid and powder coating
Printing - Silkscreen and Pad Print
Sub-Assembly - Gasket, Misc. Hardware, Etc.
Weld Discolor Removing System

ISO Certified - Since 1996
